

Patent Pending

### Reduced Deck Mount™ System

Easy installation around raised walls, water features, spas and other deck accessories. This system is designed to maintain a tight cover fit and is perfect for narrow pool decks. All Stainless Steel hardware with brass anchors. Patent Pending Design.

### Solid Safety Cover with EASE-A-DRAIN™

1/4" drain holes are located every 6" in reinforced vinyl, down the center of the cover. Beneath is a 1/2" wide mesh drain filter panel designed for easy cleaning. No other manufacturer offers this feature.

### Replaceable perimeter pad

To extend the life of your cover, order your cover with our NEW Replaceable Perimeter Pad. A velcro application allows the durable padding to be removed for easy, convenient replacement. Protect your cover and extend its life simply by using the **NEW Replaceable Perimeter Pad**.

### Custom heavy duty hardware for a tighter fit.

Heavy duty stainless steel double-coil springs, with D-Rings for ease of installation and adjustment. They have a lower profile – so covers lay flat and fit tight – whatever the shape of the pool. **Standard on Supreme-Mesh™, Maxo-Mesh™ and Super-Scrim™.**

## THE KAFKO DIFFERENCE:

- Solid Cover with EASE-A-DRAIN™
- 1" polypropylene webbing
- Interlocked, double overlap seams
- Double decker edge
- Coping Anti-Rub Strips
- UV resistant material
- Supreme-Mesh® Technology
- 20-Year Warranty
- **Heavy duty stainless steel double-coil low profile springs with "D-Ring" (Except for Dura-Weave™ which comes standard with single-coil springs)**
- **Exceeds ASTM Standards**
- Custom non-corrosive hardware and brass anchors

**20-YEAR WARRANTY**

## SAFETY IS EVERYONE'S RESPONSIBILITY.

As much as we try to build in every possible safety measure, it is the consumer purchaser's responsibility to follow all safety instructions provided with the Kafko Safety Cover, and to educate all users of the product as to its safe and proper use. Covers depicted are representative of the actual material; however, variations in colour and shading may occur.

The Warranty information provided represents a brief synopsis of the full written warranties for the products described. We stand behind every product we produce pursuant to those representations which are stated in our written warranty only.

**NOTICE:** Your dealer/builder/contractor is an independent business person. We cannot and do not accept any responsibility for any representations, statements or contracts made by any dealer/builder/contractor.

All cover samples are for illustration purposes only. The manufacturer reserves the right to change cover selections without notice. Covers depicted are representative of the actual material; however, variations in colour and shading may occur.

As members of APSF we would like to inform you of several publications that you may wish to request from APSF: "The Sensible Way to Enjoy Your Inground Swimming Pool"; "Children Aren't Waterproof"; "Pool and Spa Emergency Procedures for Infants and Children". These publications can be ordered from the APSF by calling or writing them at The Association of Pool and Spa Professionals, 2111 Eisenhower Avenue, Alexandria, VA 22314, 800-323-3996. Or visit the APSF consumer web site at [theapsf.com](http://theapsf.com).

## IMPORTANT!

"No Diving" signage is a component of the swimming pool and must be installed on the coping around the perimeter of your pool. "Caution" signage also must be affixed to the steps.

This Area Warning Sign must be permanently and Conspicuously Affixed in the pool area so it can be easily seen by everyone using the Pool.

## WHEN YOU DON'T WANT YOUR POOL LOOKING LIKE THIS...

**OPT FOR A KAFKO SAFETY COVER AND YOU GET NO MORE:**

- Standing Water
- Mosquitoes/Insects
- Leaves, Branches & Odours
- Hard to handle Waterbags/Tarps

**We call it "Safety Cover" for a reason...**

**The Kafko Safety Cover is designed to protect both your pool and your family.**

**At Kafko, we take safety seriously.** Our pool covers are manufactured to your specific pool size and shape, using only the highest quality raw materials and our state-of-the-art production methods.

Not only does this allow for a good looking, clean outline of your pool, but more importantly, when properly installed, the Kafko Safety Cover will help prevent accidental intrusion by children and pets.

**20-YEAR WARRANTY**

## WE BELIEVE IN OPTIONS!

**Choose the colour that best blends with your backyard!**

The choice is yours. REALLY. We have several colours to offer as well as different types of materials. Don't need the maximum shade coverage? That's ok, you can opt for a lighter weight cover and still be covered with our limited 20-year warranty.

**SUPREME MESH®**

**The benefits of a solid cover, with the ease and handling of a mesh.**

The Supreme-Mesh® safety cover material is manufactured with a light and tight woven material. Supreme-Mesh® safety covers are designed to allow water through for drainage and safety but keep sunlight and debris out for ease of maintenance and peace of mind.

Available in green only. US Patent 6,886,187-98

**DURAVEAVE®**  
Feather Weight

**Lightweight DuraWeave® safety covers are about half the weight of our standard solid cover.**

DuraWeave® solid safety covers will block out all of the sun's rays, yet the new lightweight material allows for easy installation and removal. **Comes standard with single-coil springs.**

Available in green and blue.

**Maxi-Mesh®**

**A customized engineered mesh designed to inhibit the growth of algae in your pool.**

Durable long lasting polypropylene mesh material. No more standing water in the springtime for insects to breed, our mesh material allows water and snow to drain right through. Built-in durability and strength will protect your family and your investment.

Available in grey, tan, blue and green.

**Super-Scrim®**  
FULL WEIGHT

**Heavy-duty solid safety covers stand up to whatever mother nature can dish out.**

The full-weight solid safety cover material will completely block out all the sun's rays. One of the industry's most durable covers comes standard with the EASE-A-DRAIN™ system, keeping all the debris and sun's rays out, allowing only water to pass into your pool.

Available in green and blue.
